

BO Singing in the rain

Doo-doo-doo-doo...

I'm singing in the rain
Just singing in the rain
What a glorious feelin'
I'm happy again
I'm laughing at clouds
So dark up above
The sun's in my heart
And I'm ready for love

Let the stormy clouds chase
Everyone from the place
Come on with the rain
I've a smile on my face
I walk down the lane
With a happy refrain
Just singin',
Singin' in the rain

Choeur = I'm singing in the rain
Just singing in the rain
What a glorious feelin'
I'm happy again
lead = I'm laughing at clouds
So dark up above
The sun's in my heart
And I'm ready for love

Let the stormy clouds chase
Everyone from the place
Choeur = Come on with the rain
I've a smile on my face
lead = I walk down the lane
With a happy refrain
Just singin',
Singin' in the rain
