

SKYFALL

This is the end
Hold your breath and count to ten
Feel the earth move and then
Hear my heart burst again

Let the sky fall
When it crumbles
We will stand tall
Face it all together

Let the sky fall
When it crumbles
We will stand tall
Face it all together
At skyfall
At skyfall

Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart

Let the sky fall
When it crumbles
We will stand tall
Face it all together

Let the sky fall
When it crumbles
We will stand tall
Face it all together
At skyfall

Let the sky fall
When it crumbles
We will stand tall
Face it all together

Let the sky fall
When it crumbles
We will stand tall
Face it all together
At skyfall

Let the sky fall
We will stand tall
At skyfall
