

BO I will always love you

And I will always love you.

I will always love you.

You, my darling you. Hmm.

I hope life treats you kind

And I hope you have all you've dreamed of.

And I wish to you, joy and happiness.

But above all this, I wish you love.

And I will always love you.

I will always love you.

I will always love you.

I will always love you.

I will always love you.

I, I will always love you.

You, darling, I love you.

Ooh, I'll always, I'll always love you.
