

"Call Me Maybe"

I threw a wish in the well,
Don't ask me, I'll never tell
I looked to you as it fell,
And now you're in my way

I'd trade my soul for a wish,
Pennies and dimes for a kiss
I wasn't looking for this,
But now you're in my way

Your stare was holdin',
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where do you think you're going, baby?

Hey, I just met you,
And this is crazy,
But here's my number,
So call me, maybe!

It's hard0 to look right
At you baby,
But here's my number,
So call me, maybe!

Hey, I just met you,
And this is crazy,

But here's my number,
So call me, maybe!

And all the other boys,
Try to chase me,
But here's my number,
So call me, maybe!

I throw my hands up in the air sometimes,
Saying AYO! gotta let go!
I wanna celebrate and live my life,
Saying AYO! baby, let's go!

I came to dance, dance, dance, dance
I hit the floor 'cause that's my plans, plans, plans, plans
I'm wearing all my favorite brands, brands, brands, brands
Give me some space for both my hands, hands, hands,
hands

Ye, ye

'Cause it goes on and on and on.....
And it goes on and on and on.....

Yeah!

I throw my hands up in the air sometimes,

Saying AYO! gotta let go!
I wanna celebrate and live my life,
Saying AYO! baby, let's go!

'Cause we gon' rock this club,
We gon' go all night,
We gon' light it up,
Like it's dynamite!
'Cause I told you once,
Now I told you twice,
We gon' light it up,
Like it's dynamite!

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away
You shoot me down but I won't fall
I am titanium
You shoot me down but I won't fall
I am titanium

[Sia:]

Cut me down

But it's you who'll have further to fall
Ghost town and haunted love
Raise your voice, sticks and stones may break my bones
I'm talking loud not saying much

[Chorus:]

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away
You shoot me down but I won't fall
I am titanium
You shoot me down but I won't fall
I am titanium
I am titanium
I am titanium

"Only Girl (In The World)"

La la la la
La la la la
La la la la
La la la la

[VERSE 1:]

I want you to love me, like I'm a hot pie
Keep thinkin' of me, doin' what you like
So boy forget about the world cause it's gon' be me and you

tonight
I wanna make you beg for it, then Imma make you swallow
your pride

[CHORUS:]

Want you to make me feel like I'm the only girl in the
world

Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only girl in the world...

Like I'm the only one that's in command
Cause I'm the only one who understands how to make you
feel like a man (yeah)

Want you to make me feel like I'm the only girl in the
world

Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only one...

Want you to make me feel like I'm the only girl in the
world

Like I'm the only one that you'll ever love
Like I'm the only one who knows your heart
Only girl in the world...

Like I'm the only one that's in command
Cause I'm the only one who understands how to make you
feel like a man (yeah)

"Domino"

I'm feeling sexy and free
Like glitter's raining on me
You're like a shot of pure gold
I think I'm 'bout to explode

I can taste the tension like a cloud of smoke in the air
Now I'm breathing like I'm running cause you're taking me
there

Don't you know? You spin me out of control

Ooh, ooh, ooh, ooh
We can do this all night
Damn this love is skin tight
Baby, come on
Ooh, ooh, ooh, ooh
Boom me like a bass drum
Sparkin' up a rhythm
Baby, come on!
Ooh, ooh, ooh, ooh

Rock my world into the sunlight
Make this dream the best I've ever known
Dirty dancing in the moonlight
Take me down like I'm a domino

Every second is a highlight
When we touch don't ever let me go
Dirty dancing in the moonlight
Take me down like I'm a domino

You got me losing my mind
My heart beats out of time
I'm seeing Hollywood stars
You strum me like a guitar

I can taste the tension like a cloud of smoke in the air
Now I'm breathing like I'm running cause you're taking me
there

Don't you know? You spin me out of control

Ooh, ooh, ooh, ooh
We can do this all night
Damn this love is skin tight
Baby, come on
Ooh, ooh, ooh, ooh
Boom me like a bass drum
Sparkin' up a rhythm
Baby, come on!
Ooh, ooh, ooh, ooh

Rock my world into the sunlight
Make this dream the best I've ever known
Dirty dancing in the moonlight
Take me down like I'm a domino

Every second is a highlight
When we touch don't ever let me go
Dirty dancing in the moonlight
Take me down like I'm a domino

I hate to see you cry,
Your smile is a beautiful lie.
I hate to see you cry,
My love is dying inside.

I can fix all those lies.

Oh, babe, oh babe, I run, but I'm running to you.
You won't see me cry, I'm hiding inside.
My heart is in pain but I'm smiling for you.

I hate to see you cry,
Your smile is a beautiful lie.
I hate to see you cry,
My love is dying inside.

Dance the night away
Live your life and stay young on the floor
Dance the night away
Grab somebody, drink a little more
Lalalalalalalalalalalalalala-a
Tonight we gon' be it on the floor
Lalalalalalalalalalalalalala-a
Tonight we gon' be it on the floor

I know you got it clap your hands on the floor
And keep on rockin', rock it up on the floor
If you're a criminal kill it on the floor
Steal it quick on the floor, on the floor
Don't stop keep it moving
Put your drinks up
Its getting ill
It's getting sick on the floor
We never quit, we never rest on the floor

If I ain't wrong we'll probably die on the floor
Brazil, Morocco
London to Ibiza
Straight to LA, New York
Vegas to Africa (Dale!)

[Chorus]

Dance the night away
Live your life and stay young on the floor
Dance the night away
Grab somebody, drink a little more

Tonight we gon' be it on the floor

Tonight we gon' be it on the floor

Lalalalalalalalalalalalalala-a
Tonight we gon' be it on the floor
Lalalalalalalalalalalalalala-a
Tonight we gon' be it on the floor

Freak it off kick it up
Raise the roof wreck the dancehall
make these walls light it up
Make some noise ohhh

Dance the night away
Live your life and stay out on the floor
