

MORE THAN WORDS / HEAVEN

Saying I love you
It's not the words I want to hear from you
It's not that I want you
Not to say but
If you only knew how easy
It would be to show me how you feel
More than words
Is all you have to do to make it real
Then you wouldn't have to say
That you love me
Cause I'd already know

How I love the way you move
And the sparkle in your eyes
There's a color deep inside them
Like a blue suburban sky
I don't need to be the king of the world
As long as I'm the hero of this little girl, oohh yeah

Heaven isn't too far away
Closer to it everyday
No matter what your friends say
I know we're gonna fight it
More than words
Is all you have to do to make it real
Then you wouldn't have to say
Heaven isn't too far away
Heaven isn't too far away
(More than words)
Heaven isn't too far away, away
(More than words)
Cause i'd already know
Saying I love you
