Titanium

You shout it out
But I can't hear a word you say
I'm talking loud not saying much
I'm criticized but all your bullets ricochet
You shoot me down, but I get up

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away
You shoot me down but I won't fall
I am titanium
You shoot me down but I won't fall
I am titanium

Firework

Do you ever feel like a plastic bag,
Drifting through the wind, wanting to start again?
Do you ever feel, feel so paper-thin
Like a house of cards, one blow from caving in?

Do you ever feel already buried deep?
Six feet under screams, but no one seems to hear a thing
Do you know that there's still a chance for you?
'Cause there's a spark in you

You just gotta ignite the light, and let it shine
Just own the night like the Fourth of July

'Cause baby, you're a firework
Come on, show 'em what you're worth

Make 'em go "oh, oh, oh!"
As you shoot across the sky-y-y

Baby, you're a firework
Come on, let your colors burst
Make 'em go "oh, oh, oh!",
You're gonna leave 'em falling down oh oh

Call me maybe

I threw a wish in the well
Don't ask me, I'll never tell
I looked to you as it fell
And now you're in my way

I trade my soul for a wish O
Pennies and dimes for a kiss
I wasn't looking for this
But now you're in my way
Your stare was holding
Ripped jeans, skin was showing
Hot night, wind was blowing
Where you think you're going baby?

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
It's hard to look right, at you baby
But here's my number, so call me maybe

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys, try to chase me
But here's my number, so call me maybe

Before you came into my life I missed you so bad
I missed you so bad... I missed you so, so bad

Before you came into my life I missed you so bad
And you should know that
So call me maybe
