Whistle

Siffle

Can you blow my whistle, baby?
Whistle, baby, let me know
Girl, I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle, baby?
Whistle, baby, here we go

Siffle Whistle baby
Siffle Whistle baby

It's like everywhere I go, my whistle ready
to flow
Shorty don't even know, she can get any by
the low
Tell me she not a pro, it's okay, it's under
control
Show me soprano 'cause girl, you can
handle

Baby, we start something, you come up in
bar clothes
Girl, I'm loosening, my Bugatti the same
road
Show me your perfect pitch, you got it my
banjo
Talented with your lips like you blew out a
candle

So amusing

Now you can make a whistle with the music
Hope you ain't got no issue, you can do it
Give me the perfect pitch, you never lo-lo-lo
(hey hey hey)

Can you blow my whistle, baby?
Whistle, baby, let me know
Girl, I'm gonna show you how to do it
And we start real slow

You just put your lips together
And you come real close
Can you blow my whistle, baby?
Whistle, baby, here we go

Give another whistle, baby?
Whistle baby, whistle, baby
Whistle baby, whistle, baby

Give another whistle, baby?
Whistle baby, whistle, baby
Whistle baby, whistle, baby

Give another whistle, baby?
Whistle baby, whistle, baby
Whistle baby, whistle, baby

Give another whistle, baby?
Whistle baby, whistle, baby
Whistle baby, whistle, baby

We'll make it – I swear
oh oh Livin' on a prayer
If you start me up ah!

Kick on the starter give it all you got, you
got to, you got to, you got to
