

Be italian

**So you little Italian devils,
You want to know about love?
Saraghina will tell you.
If you want to make a woman happy,
You lie on what you're born with,
Because it is in your blood.**

Be Italian

Be Italian

**Take a chance and try to steal a fiery kiss
Be Italian
Be Italian
When you hold me don't just hold me but hold this
Ha ha ha...**

**Please be gentle, sentimental
Go ahead and try to give my cheek a pat
But be daring and uncaring
When you pinch me try to pinch me where there's fat
HA!**

**Be a singer (be a singer)
be a lover (be a lover)
Pick the flower now before the chance is past (before it's past)
Be Italian (be italian)
Be Italian (be italian)
Live today as if it may become your last!**

**Be a singer (be a singer)
Be a lover (be a lover)
Pick the flower now before the chance is past (before it's past)
Be Italian (be italian)
Be Italian (be italian)
Live today as if it may become your last! (la la la..... Last!)**
